

Editorial Foreword

Vol. 10, No. 2 – April 2026

Alhamdulillahii robbil 'alamiin

In the Name of Allah, the Most Gracious, the Most Merciful.

All praise and gratitude we offer to Allah SWT. With great pleasure, we inform our readers that *G-Tech: Jurnal Teknologi Terapan* Vol. 10, No. 2 has been published and is available online as of April 2, 2026. *G-Tech: Jurnal Teknologi Terapan* is a national open-access journal that publishes high-quality articles in the field of engineering and applied technology. The journal aims to disseminate original research findings or review articles on applied technology within the scope of engineering, including mechanical engineering, electrical engineering, informatics engineering, information systems, agrotechnology, and other technical fields. The journal is published by the Faculty of Science and Technology, Universitas Islam Raden Rahmat Malang, and is issued four times a year in January, April, July, and October.

The articles published in Vol. 10, No. 2, April 2026, have undergone a professional review process (using a double-blind review system) conducted by a team of expert reviewers in their respective fields. This edition includes articles focusing on applied technology studies across various engineering disciplines such as mechanical engineering, electrical engineering, agriculture, information systems, informatics engineering, and other applied technology fields. The researchers/authors featured in this edition come from various affiliations and higher education institutions across Indonesia, including Universitas Muhammadiyah Gresik; Universitas Multimedia Nusantara, Jakarta; Politeknik Negeri Malang; Institute Teknologi dan Bisnis Bina Sarana Global; Universitas Atma Jaya Yogyakarta; Universitas Ibrahimy Sukorejo; UPN "Veteran" Jakarta; Universitas Duta Bangsa Surakarta; Universitas Muhammadiyah Sidoarjo; Universitas Amikom Yogyakarta; Universitas Nusa Nipa; Universitas Papua; Universitas Ahmad Dahlan, Indonesia; Universitas 17 Agustus 1945 Surabaya; and many other universities throughout Indonesia.

We extend our deepest gratitude to the researchers/authors of the articles in this edition for their willingness to share their knowledge and research findings with fellow researchers. Secondly, we also express our appreciation to the G-Tech reviewers for their extraordinary commitment and dedication in reviewing and evaluating submitted articles. Lastly, our heartfelt thanks go to the editorial team members of *G-Tech: Jurnal Teknologi Terapan* for their invaluable contributions in managing this journal.
